Department: Public Works

Dollar Value: \$15,000 (Building Maintenance)

**Requested Action** Approve or Deny

### Summary Explanation and Background

On October 16, 2024, Council adopted [Resolution 331-24](#) authorizing the purchase of a FM200 Fire Suppression Tank at the North Reverse Osmosis Water Treatment Plant from United Safety & Alarms, Inc. As a result, Contract #QPW24209MR was executed and an initial purchase order (PO#25500732) was issued in the amount of \$129,943.77.

Staff received correspondence from the vendor in reference to the additional fees for permitting and inspection services that were not known or captured at the time of the original scope. There were no contingency dollars approved with the project.

Staff is now requesting a change order in the estimated amount of \$15,000 for the additional permitting, inspection and administration services for the project. The new total purchase order amount will be \$144,943.77.
