Interests/Activities:

30 years skipper various boats, all for pleasure. Freshwater lake Texoma & Lake Lanier (40 & 45ft motor yacht). Navigated Lake Erie, Ontario, and Michigan. Navigated east coast from New York through Okeechobee to Cape Coral. Multiple trips to the keys from Cape Coral and as far north as Longboat Key.

Why do you desire to serve on this/these Board(s)?

I have a passion and personal interest in the Cape's water solution as my home is behind the lock with my boat moored behind my home. The water levels, maintenance of canals, such as dredging and pollutants, are the very core of my reason for applying. In addition, being an engineer and holding high status in companies will add diversity and talent to solution negotiations and problem management.
